1. Log into Blackboard Learn and select your course.

2. Click **Tools** in your course’s side navigation panel.

3. Scroll down to find **i>clicker Student Registration** link on the Tools page. Click this icon. NOTE: This icon will not appear unless you have followed the instructions to activate i>clicker tools in Blackboard.
4. The i>clicker Student Registration page appears. Here, the student will enter their i>clicker remote ID (8-character code) and click **Submit**.

5. The remote is now registered and appears in a table on this page. Students can view or remove their registrations at any time from this page.
